MIRRORS · SPECIFICATION SHEET

LED Mirror — Pro Series

Innovative profile reflects 99% of light forward for maximum illumination

The Pro Series features an innovative profile design that efficiently reflects 99% of the light towards the front. Even, shadow-free illumination directed at the face — perfect for guests who power dress.

Product Details

• Profile design reflects 99% of LED light towards the front
• Even, shadow-free facial illumination
• CRI 90 LEDs — excellent color rendering for makeup and grooming
• Energy efficient with low-maintenance operation
• Adjustable installation
